APPROVAL OF MINUTES- The minutes of August 16th were approved by MOTION of Messrs. Olson and Hill, all ayes.

REPORTS- Supervisor, Town Clerk, Zoning, Assessor, Justice

Highway Report- Superintendent Smith reported that the box on Scott's truck needs to be replaced. It will cost about \$15,850.00. The money could be taken from the salt and sand code as we did not buy any sand. Councilman Hill agreed that the box is not in good shape and we have put a lot of money into the truck and need to keep it "up to snuff". Councilman Hill says we need to get another eight years out of the truck.

RESOLUTION NO. 104 OF 2007

Messrs. Hill & Higgins introduced Res. 104 and moved its adoption:

RESOLUTION TO AUTHORIZE PURCHASE OF DUMP BOX FROM T&T SALES INCORPORATED

RESOLVED, that the Town Board of the Town of Horicon does hereby authorize the purchase of a dump box from T&T Sales Incorporated for the price of \$15,850.00.

Hill-aye, Higgins-aye, Olson-aye, Hayes-aye, Bentley-aye

Superintendent Smith said the 2 year warranty runs out of the 2005 truck at 23,000 miles. We can get an extended 3 year warranty on the engine and drive train for \$4,000. Councilman Olson asked if that included parts and labor? Supt. Smith said he was not sure, but he did know that we have to pay travel time. Since the Board has until November to decide, this will be looked into further.

Planning Board Chairman Bill Bruce- Mr. Bruce reported on the Grant Proposals. The Town has asked for an extension for grant, but cannot get it until a consultant is named. The Committee from the Planning Board has interviewed prospective consultants and recommends Laberge Group be hired. Councilman Olson said that Laberge will be establishing an economic/commercial base for Horicon and after this is completed we will start looking for further grant money. Mr. Bruce reported the Town has \$42,000.00 in grant money and Town funds and perhaps once this study gets underway the cost of the study may be lowered. Mr. Paton said he was very impressed with Laberge. They will concentrate on infrastructure and affordable housing. Mr. Paton also said they would be looking into the "Smart Grant" information.

Messrs. Olson & Higgins introduced Res. 105 and moved its adoption:

OLD BUSINESS-

Adirondack Honor Roll Sign- Councilman Hill reported that a sign has been designed and there are two options for prices. One is \$550.00 and one is \$1250.00. The material for the \$1250.00 sign is more what we are looking for as far as durability. The clerk will check with Erwin Robbins who is sponsoring the sign to get his approval of price before the sign is finalized.

NEW BUSINESS-

Discussion regarding temporary replacement of Terry Peters who has been injured and will be out of work anywhere between 3 weeks and 3 months. The Town already has part-time workers on the payroll for winter plowing and one of them may be interested in filling in. The Board will leave it up to the Highway Superintendent hire one of part-timers.

Highway Superintendent Smith said someone is moving big rocks at South Horicon Cemetery. Someone who owns property down there said it is "only access" to his property. Paul says this is not so and the vehicles are tearing up the roads. Councilman Hill said the Town would have to sign a complaint in order to do anything legal. Will try and resolve with further discussion.

Councilman Higgins spoke about the need to have some signs on the walls of the lobby of Community Center to direct the people to the offices they need, also the rest rooms. When people come into the lobby they do not know where to go unless they have been here before. We will check catalogs and pick out appropriate signs.
